The measured target from the flagpole's height comes to be around \$3,120, about a 20% drop from the current price.

Polymarket has already had a strong month of integrations, including Sam Altman's identity-focused World App on Tuesday and crypto wallet MetaMask, which expects its integration to take place before the end of the year.

Coinbase says the high compliance costs pose "formidable barriers to entry for smaller financial service providers, including fintech startups," and are often passed on to customers through higher banking fees and denial of financial services, particularly affecting low-income customers.
