From Times Square in New York to Portland and Los Angeles, crowds chanted “Resist Fascism” and “We the People Rule,” according to a report from Politico.

The team promised that Ondo will do for securities what stablecoins have done for dollars, making the tokenized assets tradeable outside of typical market hours and available worldwide.

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government

for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

US lawmakers weigh crypto tax exemptions

Creditors will sell U.S. debt as they grow worried about its ability to function as a store of value, he said. That will likely put the Federal Reserve in a tough position, Dalio added, where it has to decide between rising interest rates and a debt default crisis or printing money to buy debt and “try to hold real interest rates down, which will lower the value of money.”

He pointed out that Polygon could easily “pick up off the shelf a ZK tech stack” that will enable a proof system, adding that the technology has “gotten quite good” with proving costs now as cheap as \$0.0001 per transaction.
