Comprehensive Guide to how to verify your account on binance

Chart patterns are shapes formed by price movements that help traders anticipate future market trends. These patterns fall into two main categories: reversal patterns, which signal that a current trend may change direction, and continuation patterns, which suggest the trend will likely resume after a brief pause. They stem from market psychology, where emotions like fear, greed and uncertainty drive collective trading behavior and create recognizable shapes on charts.

Since the Trump administration's permissive about-face on crypto policy this year, all manner of crypto institutions have applied for bank charters. Among them: crypto exchange Coinbase, payments processor Stripe, stablecoin issuer Paxos,
