limit vs stop limit binance

"For too long, money has been stuck in slow, outdated payment systems and infrastructure, causing unnecessary delays, high costs, and roadblocks to entering new markets — problems that blockchain technologies are ideally suited to solve."

If you've ever been pulled over by a bad cop, you know exactly how this can go wrong, but the truth is, there is today no rigid system that is as effective as a flexible one. Maybe someday computers, building out large language models or other artificial intelligence, will be capable of equally effective discretion, but for now, code as law is simply worse.

Musk is well known for pumping the value of O.G. meme coin Dogecoin with his comments, but his social media posts have also moved the needle for Floki in the past.
