Gold, Bitcoin Price, Inflation

Google global search interest for the term “Bitcoin” dropped to 19 last week, coinciding with Bitcoin’s flash crash on Friday, according to Google Trends.

Cross-border payment is one of the important application scenarios of blockchain technology. The traditional cross-border payment process is complex, involving multiple intermediaries, with long settlement time and high fees. In contrast, cross-border payments based on blockchain technology can realize direct peer-to-peer transactions, greatly simplifying the process, shortening settlement time, and reducing costs. Currently, several countries and financial institutions

have begun to try using blockchain technology for cross-border payments. With the continuous maturity of technology and the improvement of regulatory frameworks, blockchain cross-border payments are expected to become the mainstream cross-border payment method in the future.

“Congrats to DraftKings on their acquisition of Railbird. We’re proud for Polymarket Clearing to be their designated clearinghouse as they enter the prediction market space,” Polymarket CEO Shayne Coplan said in an X post on Wednesday.

The executive did emphasize, though, her confidence that Custodia has already been deemed a “legally eligible entity” by the Fed.

Bull market has room to run
