Sports betting commanded the highest share at \$414.7 million last week, surpassing political markets despite election-related activity.

When you've been around markets long enough, you start to see patterns. The tools we trade on and the rails we build on are never static. In crypto, one of the biggest shifts happening right now is at the base layer.

There was a spike in early 2020 due to the pandemic-induced lockdowns, but it was an extremely short recession. Currently, there is no imminent recession threat,

though elevated risk remains.

Some of the largest Bitcoin miners have announced similar strategic pivots to AI since the beginning of 2024, including Core Scientific, Hut 8 and Iris Energy.

After the acquisition closes, 21Shares will continue operating independently under CEO Russell Barlow. FalconX said the move aligns with its broader 2025 expansion push in trading, asset management, and market infrastructure, following earlier deals for Arbelos Markets and Monarq Asset Management.
