Miller attempted to reconcile this apparent contradiction, saying "investing in a business that's working with Bitcoin transactions is a very different game than direct investment in buying Bitcoin."

The acquisition is made in partnership with Brag House Holdings, House of Doge's publicly traded merger partner that will help the firm soon go public via a reverse merger.

"This facilitated capital inflows to Bitcoin, pushing its dominance close to 60%," Gregory noted.

Crypto adoption in European countries like the United Kingdom and Germany is lagging behind Russia, according to the latest report from US blockchain analytics firm Chainalysis.

OKLink is a professional-grade, multichain blockchain explorer developed under the OKG Technology Group. It supports major blockchains such as Ethereum and Bitcoin, offering robust tools for transaction tracking, stablecoin monitoring and onchain risk analysis. Known for its strong compliance and Anti-Money Laundering (AML) features, OKLink is widely used by analysts, compliance teams and institutions that require deeper blockchain visibility beyond basic transaction searches.

In March 2025, the exchange began moving assets between its wallets, a likely step in preparing for further repayments ahead of the Halloween deadline.
