Mitchnick told Bloomberg that many early adopters now prefer the convenience of managing their holdings through established financial institutions while retaining exposure to Bitcoin's price movements.

He also cast doubt on the US government's plan to use stablecoins to protect US dollar hegemony, arguing that stablecoins are only a temporary, short-term fix that does not address the core issue, which is currency debasement.

He called the rejection "a missed opportunity to explore how Indian listed companies can responsibly innovate" with Bitcoin in ways that add long-term
