South Korea's Financial Intelligence Unit has approved Binance's majority stake acquisition of GOPAX, ending a regulatory impasse that had stifled its return to the Korean market for over two years.

GalaxyOne offers customers the ability to trade stocks and crypto in one place, mirroring services offered by Robinhood and Kraken. At the same time, Galaxy is targeting accredited investors with products like high-yield cash that aren't universally available.

“Visually, the chart makes it clear that there is a major redistribution taking place: Bitcoin is moving from long-term holders into new addresses managed by ETFs,” he told Decrypt. “As ETFs create demand, supply is being provided by old holders.”

Sports betting commanded the highest share at \$414.7 million last week, surpassing political markets despite election-related activity.

"The broader setup remains bullish, with a prolonged government shutdown likely to continue driving interest in hard assets and supporting demand for Bitcoin as an alternative store of value," Joe DiPasquale, CEO of crypto asset manager BitBull Capital, told Decrypt on Friday.

The data analytics platform also showed that in the last 30 days, BNB Chain's successful transactions reached 500 million, a 151% surge from the previous 30-day period. This puts the network second to Solana, which holds the top spot for transactions.
