Comprehensive Guide to node-binance-api typescript

“The tax rules surrounding crypto are quite complex and there’s now a volume of people who are trading in crypto and not understanding that even if they move from one coin to another it triggers capital gains tax,” Neela Chauhan, a partner at UHY Hacker Young, which submitted the FOI request, told the FT.

“Fast forward a few years: Corporate chains will end up with the complex tech but without the added value for users, which is no central entity to control them. At that point, these chains will lose the focus from corporates.”
