“As prediction markets continue to evolve at a rapid pace, partnering with the two market leaders, Kalshi and Polymarket, provides a tremendous opportunity for the broadest fan engagement during the NHL season,” said NHL Business President Keith Wachtel, in a release. “Polymarket and Kalshi are ideal partners as this category continues to grow and expand.”

The proposed buyback framework comes ahead of the upcoming Aave v4 upgrade slated for the fourth quarter of 2025.

That infrastructure is now being extended with their acquisition of 21Shares as a “natural next step” to strengthen market efficiency, Yarlagaadda claimed, adding

that the move is a “deliberate, long-term investment in building durable enterprise value across market cycles.”

The acquisition is made in partnership with Brag House Holdings, House of Doge’s publicly traded merger partner that will help the firm soon go public via a reverse merger.

"We must collectively govern the integration of transformative tools like AI, which, powered by the immutable transparency of the blockchain, can finally move AML past the problem of low-value, static data," Fabiano said, calling the evolution "an opportunity, not a constraint" essential to securing a credible, compliant financial ecosystem.

Tether said its donation to OpenSats, which funds the development of free and open-source Bitcoin software, will support the nonprofit’s operations and grant-making efforts.
