To that point, Dalio said that deregulation isn't a threat to governments' use of fiat currencies in stabilizing economies or facilitating international trade. It is rather unhealthy debt levels, he said, that are eroding the status of currencies like the greenback across several sovereigns.

If mobile app rankings and Google search trends for "Bitcoin" can serve as proxies for retail interest, demand last peaked in November 2024, when the Coinbase app jumped from the 55th to the third position in less than 30 days. At the same time, search activity spiked to its highest level in over two years.

Crypto companies advertising in the UK must meet strict criteria to run crypto-related advertisements or promote digital assets inside the country, centered around consumer risk protections.

Strategy said earlier this year that it was adjusting its policy on common share issuance to convey discipline. The policy was modified to give the company greater flexibility, but onlookers suggested that it could make Strategy's move less predictable moving forward.
