BlackRock CEO Larry Fink has once again reiterated cautious approval of crypto investments and walked back previous comments he made in October 2017 about Bitcoin being an “index of money laundering.” Speaking with CBS on Sunday, Fink said that “I did say Bitcoin, because we were talking about Bitcoin then, was the domain of money launderers and thieves.” “But you know, the markets teach you, you have to always relook at your assumptions. There is a role for crypto in the same way there is a rol...

The researchers say the rogue coders responsible also joined a discussion on GitHub and lobbied for their libraries to be run, but other developers correctly recognized it was a scam.

US lawmakers weigh crypto tax exemptions

"We have seen that a number of companies have had success with a crypto strategy," the spokesperson said. "A number of our friends and supporters felt we should engage in that area as well. The board decided to start a conservative approach on this and test waters by buying some Bitcoin and Trump coin."

"From cinematic design to surreal architecture and cyberpunk storytelling, the gallery presents a curated selection of today's most influential digital artists," the organizers said in a statement.

More advanced traders may be inclined to consider selling covered calls. Covered calls benefit from overbought, parabolic rallies—if the rally stalls, you keep the premium; if price indeed explodes, your gains are capped but protected from a sudden selloff.
