In the film, this is an argument based on moral intuition alone, without a principled basis and defended only by tautology. None of the ideas' advocates make the normative case for why code should be law, but there must be an instrumental basis for this philosophy beyond moralism.

The deal gives Ripple infrastructure to manage digital assets held in corporate treasuries, including stablecoins and tokenized deposits, which can be used to generate yield for clients, according to a Thursday announcement.

They warned that if the shutdown continues, its impact could extend from liquidity to structural trust in the US system. “The market’s next move may depend on whether the nation’s political institutions can restore consensus amid deep division,” they said.
