Bull market has room to run

OpenAI's foray into live web search has been long rumored, especially given the limitations of typical large-language models, which rely on a large but static corpus of data collected up to a point in time, limiting its knowledge of current events.

Retail ETH longs dominate futures market, but carry a contrarian outlook

“Ethereum should be extremely cautious about developing a technical deep dependency on a fund that is playing cards in a very strategic way.”

While Elon Musk has recently touted Bitcoin for its energy-based, inflation-proof economic model, the billionaire's relationship with the cryptocurrency industry has been complicated.
