A former engineer at e-commerce company Digital River was sentenced Tuesday to three years of probation for illegally mining crypto using his former employer's cloud servers.

Beyond these giants, e-commerce platforms like Shopify have democratized the use of digital currency by making it simple for millions of small and medium-sized businesses to include a cryptocurrency checkout option.

Both bills pursue identical goals as they require crypto mining companies to pay into New York's Energy Affordability Programs based on their electricity

consumption.

Everyday crypto transactions: Coffee shops, restaurants, retailers

Finally, enforce safety and governance. Given moderation issues and risks of single-source reliance, set a hard rule that no Grok-generated signal can directly trigger live trades without external verification. Multiple independent checks should always precede capital deployment.

“They conjured billions in paper wealth by issuing shares far above their real Bitcoin value — until the illusion vanished,” they continued.
