The National Hockey League has inked multi-year licensing agreements with prediction market startups Kalshi and Polymarket, marking the first time a major U.S. professional sports league has authorized these platforms to use its trademarks.

In traditional markets, clearing and settlement are often invisible to end-users, but they're where the real leverage is. Tempo would give Stripe a chain purpose-built for predictable fees, deterministic settlement times, and merchant distribution that nobody else can match. This is 20 years of payment-processor muscle memory applied to crypto rails.
