"Bitcoin was easy because it's the gold standard for crypto," the continued. "We believe Trump coin is undervalued, considering that it's the coin backed by the President of the United States, who is not only popular in the United States but a

global figure respected and followed all over the world."

The campaign, which began at the end of July, appears to be a coordinated effort to boost the visibility and trading volume of the \$DILDO token, a meme coin launched alongside an NFT collection in late July.

The firm also offers Bitcoin and XRP-themed credit cards, all of which offer up to 4% back on purchases in instant crypto rewards.
