While Elon Musk has recently touted Bitcoin for its energy-based, inflation-proof economic model, the billionaire's relationship with the cryptocurrency industry has been complicated.

Their gains come after Bitcoin's price rose following a down week in which risk-on assets were buffeted by a re-escalation of U.S.-China trade tensions. On Monday, U.S. President Donald Trump said he would soon meet with China President Xi Jinping.

Named "bitcoinlibdbfix" and "bitcoinlib-dev," the malware had been masquerading as solutions to an issue that had caused error messages to appear during Bitcoin transfers.

People have always looked to frontiers for freedom. That is because societies are, fundamentally, structures that organize violence to contain the desires of individuals in favor of the priorities of those in power. Generally, this has at least some pro-social qualities: Police have a privileged role as monopolists of violence so that we can buy deodorant at Walgreens without ringing a bell for an attendant. But that does not change what it is.

On Oct. 10, 2024, Kobayashi announced that most repayments to verified creditors had been completed, though many were still pending due to incomplete procedures or processing issues.

Major chain retailers like Home Depot, Lowe's and Ikea accept cryptocurrency in the form of Bitrefill and BitPay gift cards, so you can use ETH to finance your home renovation.
