Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

As Cointelegraph reported, bulls will have to drive the Ether price above the \$4,000-\$4,300 supply zone to signal the start of a new uptrend.
