De-risking phase takes over market

The bill would impose an excise tax on electricity used by businesses engaged in digital-asset mining under proof-of-work authentication methods.

However, he emphasized that it is still a “working theory” and that he remains a Bitcoin bull.

Beyond these giants, e-commerce platforms like Shopify have democratized the use of digital currency by making it simple for millions of small and medium-sized businesses to include a cryptocurrency checkout option.

He said it's reasonable to expect the Financial Conduct Authority to "proceed deliberately" by monitoring market conduct and retail outcomes before "broadening issuer participation" and considering additional crypto assets "in close alignment with other major financial centres."
