Crypto has already been part of civil unrest and falling confidence in the economy in Kenya.

The US dollar's hegemony is over, as evidenced by China's recent announcement of export controls on rare earth minerals, a critical component in electronics manufacturing and military defense applications, according to analyst Luke Gromen.

But despite the optimism around BNB, the world's largest crypto exchange by trading volume has faced backlash from users in recent weeks over its performance during the market crash.

But how do you choose the right tool for the job? This article takes a look at the top five Ethereum block explorers of 2025, comparing them based on data depth, features and user experience.

“The shift is driven by the convenience and significant tax benefits offered by ETFs, as well as the ability for major investors to manage their wealth through existing financial advisers and access broader investment/lending services,” Hiesboeck said.

The US government has been shut down since Oct. 1, marking the third-longest closure in US history. It is unlikely there will be a vote on the digital assets market structure bill until it reopens.
