Crypto companies must be registered with the FCA under money laundering regulations and comply with the UK's financial promotions rules, which took effect in 2023, to advertise or provide services to residents.

Polymarket made big moves this month

American entrepreneur Elon Musk triggered a short-term rally in the memecoin market after posting a playful message on his social media platform X.

He called the rejection "a missed opportunity to explore how Indian listed companies can responsibly innovate" with Bitcoin in ways that add long-term

shareholder value.

How to read: A decline in volume on the right shoulder signals weakening momentum. A price break below the neckline confirms a bearish reversal, while a break above it confirms a bullish inverse. Measure the distance from the head to the neckline, then project that distance from the breakout point to estimate the target move.

Rob Masiello, the CEO of Sova Labs — a firm focused on building Bitcoin-native infrastructure — said he thinks “corp chains” will be successful and useful for the companies that own and run them.
