The WNBA did not immediately respond to a request for comment but has warned that throwing items onto the court can pose a safety risk for players, game officials and fans.

In its Aug. 18 notice, the US Treasury asked for comments, which closed last Friday, on innovative methods to detect illicit activity involving digital assets, as required by the GENIUS Act.

Cross-referencing with fundamentals and development activity filters out short-term buzz that isn't backed by progress or transparency.

In fact, even with such a sharp correction, the overall trend could still be considered long-term bullish, with prices still trading above the 50-day EMA.

"We recently contracted for additional power and real estate in College Park to deliver high-value compute to the greater Atlanta metro area and are evaluating giga-campus opportunities across the portfolio and pipeline that are well positioned to satisfy significant off-taker demand."

If the price breaks above resistance while funding spikes and OI balloons, treat the breakout as suspect until the level is retested and holds. After the initial pop, healthy signs include funding cooling off and OI rebuilding on the retest. If, instead, open interest unwinds and price slips back below the level, the breakout likely failed.
