US senators are exploring updates to crypto tax policy, including exempting small transactions from taxation and clarifying how staking rewards are treated.

The results have surprised crypto traders, given that DeepSeek was developed at a fraction of the cost of its US rivals.

In Europe and the US, major fast-food chains like Subway and Burger King continue to accept crypto payments, often through third-party gift card services or payment processors. While not a direct, in-house integration for every location, it's a simple way for consumers to spend their Bitcoin.

While the \$20 million plan was designed as a short-term measure, the latest proposal seeks to make buybacks perpetual, embedding them directly into the DAO's governance and treasury management. The move would shift Aave from opportunistic market reactions toward a systematic, rule-based capital strategy, echoing corporate-style financial management.

Community split on future of corporate blockchains

Some analysts speculated that up to 99% of creditors might sell once they received their share. But when repayments actually began, there was "no significant spike" in trading volume, according to CryptoQuant founder Ki Young Ju.
