In response to an X user's question, he also agreed that in the short term the chains from large financial giants could help mainstream adoption.

Bull traps: False breakouts and how to confirm

Despite growing concerns over VC influence on the blockchain space, the industry still relies on traditional investment funds to attract more mainstream capital for sustained development.

In Australia, the ASX bars listed companies from keeping over half of their assets in cash or cash-like holdings, effectively ruling out DAT pivots.
