World Liberty Financial is arguably the most prominent Trump-backed crypto venture, with Donald Trump and his three sons all listed as co-founders. So far, the project has only rolled out its USD1 stablecoin and sold its WLFI governance token; however, plans are in place to expand further into the world of decentralized finance and offer lending services.

While AI tools can help spot market trend shifts for day traders via social media and technical signals, traders still can't rely on them for autonomous trading.

As with other of OpenAI's technologies—like Sora or its Voice Engine—this is just a teaser to let users know what the AI behemoth is working on. Sam Altman said that even in its early form, however, he preferred SearchGPT over legacy search engines. He also promised a better experience in the future.
