More than nine in 10 respondents to a Myriad market believe that Strategy will not sell Bitcoin. (Myriad Markets is a product of DASTAN, the parent company of an editorially independent Decrypt.)

Catching a coin's name trending on X or in a Telegram chat isn't enough to justify putting capital at risk. Social buzz moves fast, and most spikes fade before price action catches up, or worse, they might be the result of coordinated shilling. That's why the next step is to turn raw noise into structured signals you can actually rank and compare.

In addition to maintaining a focus on short-term maturities, most central banks worldwide have already begun easing or are anticipating further easing, thereby keeping the front-end anchored.

In the near future, Emirates flyers will be able to snag first-class seats with digital dollars, no forex fuss. The UAE's luxury liner will work with Crypto.com to accept crypto. In Europe, AirBaltic has been accepting crypto since 2014 and has processed thousands of crypto transactions.

All collected taxes, interest, and penalties would flow directly to energy affordability programs administered by the Department of Public Service in consultation with the Energy Affordability Policy Working Group.

The company plans to use the net proceeds from the PIPE to implement a "yield-focused treasury strategy with significant direct and BNB equivalent exposure," according to CFA Chief Investment Officer Patrick Horsman.
