“If you messed with the monetary side of the rules-based global order, the US would send the military over and kick your head in. That is a big part of why Saddam was invaded, a big part of what Gaddafi was doing.”

The outlet found that about half of all crypto advertisements flagged by the FCA between October 2023 and October 2024 remained online despite warnings.

However, market conditions remain choppy with digital asset investment products seeing \$513 million in outflows last week following a Binance liquidity cascade on October 10 that triggered nearly \$20 billion in liquidations, including roughly \$16.7 billion in long positions, according to a CoinShares report.
