“This helps us understand friction points and opportunities, and keeps us close to the edge of what’s possible,” the announcement reads.

The milestone is expected to redefine the protocol’s economic and technical architecture, introducing a modular “hub and spoke” design.

Hi Ibiza, named the world’s best club by DJ Mag for four consecutive years, unveiled the gallery this summer along with Ibiza-based nightlife group The Night League and London digital art collective W1 Curates. The exhibition mixes digital and physical works, interactive installations, and custom-built display technology.

The results could be sending a complex signal to Wall Street, as the two frontrunners represent two vastly different potential futures for artificial intelligence in finance. DeepSeek is reportedly backed by a Chinese quantitative hedge fund, suggesting its success may stem from specialized financial data and expert fine-tuning—an evolutionary step for today's data-driven firms.

"I'm very wary of hyper-sensitive investments like crypto," he said, but added he wouldn't "close the door entirely on it."
