“We can build, or architect, or code cyberspace to protect values that we believe are fundamental. Or we can build, or architect, or code cyberspace to allow those values to disappear. There is no middle ground. There is no choice that does not include some kind of building. Code is never found; it is only ever made, and only ever made by us.”

“The \$9 million transfer that Arkham and others have cited was simply a transfer to another wallet under his control. He did not send those funds to an exchange (yet),” he said. But he cautioned that it’s possible that World Liberty has access to non-public information that explains the blacklisting.
