Three times leveraged funds are far rarer, with many observers of the space doubting that issuers would try to introduce more of these products, which can become a bad bet if the underlying asset veers in an unexpected direction. The prospectus itself warns repeatedly that the various funds proposed may not be right for all investors.

The crypto market is riding high as “Uptober” delivers on its historical promise. Bitcoin hovers near a new all-time high, Ethereum pushes toward \$4,500, and altcoins are catching fire.
