By contrast, Grok's strong performance implies that a powerful, general-purpose AI may be capable of successfully navigating markets on its own—a potentially disruptive development for the entire industry.

“Very soon better, fairer, more broadly accessible onchain investment platforms with healthy tokenomics will mature sufficiently so that VCs will have no choice but to set up shop on these platforms, if they want to stay in the game.”

That said, their X account has less than 900 followers and their Telegram group just over 1,000.
