finish a series of onchain “Quests,” which are individual tasks like swapping a token or minting an NFT on a participating decentralized application (DApp).

The post has led to feverish speculation surrounding the Floki meme coin, with many hoping that history will repeat itself and that Musk will continue to post about Floki.

Did you know? Candlestick charts originated in 18th-century Japan, where they were first used to track rice trading, long before making their way into modern crypto markets.
