While exact numbers on ChatGPT-5's training budget are not publicly available, OpenAI spent \$5.7 billion on research and development initiatives in the first half of 2025 alone, Reuters reported in September.

He said it's reasonable to expect the Financial Conduct Authority to "proceed deliberately" by monitoring market conduct and retail outcomes before "broadening issuer participation" and considering additional crypto assets "in close alignment with other major financial centres."

However, as the price failed to hold above \$110,000 on Thursday, that short-term confidence faded. While the hourly premium has turned negative, the daily reading remained slightly positive, indicating that long-term US buying support hasn't fully disappeared, but it is currently under strain.
